Stone Hill™ Tranquility Pond

Relax and unwind to the soothing sounds of this bubbling fountain

- A smaller version of the popular Step2® Stone Hill™ Rock Pond, this multiple-level fountain will delight both birds and people, and best of all - **no digging required!**
- Water cascades from top basin, down to lower basin, and is then recirculated by a 110-volt pump concealed in the base. Pump plugs into a grounded outlet with a 12 foot (3.66M) cord
- Natural colors and realistic textures combine to beautify landscapes
- Attracts wildlife such as birds and butterflies
- Pond is lightweight and can be placed almost anywhere outdoors
- The perfect size for a small patio, balcony, deck, or backyard **(for outdoor use only)**
- Holds approximately 20 U.S. gallons (75.7L) of water
- Kit includes one-piece fountain, 110-volt recirculating pump with filter, tubing and fittings
- Durable, double wall polyethylene lasts for years and is easy to maintain
- Minimal assembly required
